## ABOUT CARIBBEAN YARD CAMPUS

### VISION

Caribbean Yard Campus seeks to empower the people of the Caribbean through re-connecting with our indigenous intelligence and building confidence in our own creative capacity.

### MISSION

Caribbean Yard Campus is committed to the preservation, creation and promotion of Caribbean indigenous knowledge and its application to Caribbean development. In this undertaking, CYC engages in research and documentation, curriculum innovation, creative resource development and the networking of such initiatives throughout the Caribbean and its Diaspora.
